FIRST QUESTIONNAIRE

WE NEED YOUR VIEWS?

Please help us to form the future vision of Church Lawton by completing the attached questionnaire. This is your chance to provide input into the shaping and development of the community in which you live.

What is a Neighbourhood Plan?

- ◇ Neighbourhood Planning was introduced with the Localism Act 2011 and gives communities new powers and opportunities to set out a vision for how their community will develop over the next fifteen years in ways that identify local needs.
- ◇ A Neighbourhood Plan for Church Lawton, once adopted, will carry legal status for planning purposes.
- ◇ Although supported by the Parish Council, it is Community led, community researched and, eventually, the community will be voting on whether to accept it or not.
- ◇ Neighbourhood Plans aren't just about housing and can be used to help protect our countryside, rural nature, historic sites and certain aspects of infrastructure.
- ◇ The Neighbourhood Plan Group comprises volunteers from across our community.

Please help the group by completing your questionnaire and returning to us by the 30th September 2017! Returned forms are welcome from as many of your household as possible!
